Dear The Federal Communications Commission,

yo why do u have to tax every thing i mean i pay for my phone bill, but i am not 18 i cant vote for anything so buy you raising taxes on my phone I think that is taxation without representation. Heres a idea the US should make pot legal ,tax it and use that money for funding . i mean hey it would definitely work. And maybe the crime rate would go down to. anywass i just think u should consider not taxing my phone beacause i dont have the right to vote and there are plenty of other ways to get funds. but ya this is kinda cool sending you a letter. but please reply to skateboard@att.net we could be pen pals or sumin.

HOPE SOON TO BE PEN PALS STEVEN BLUMENTHAL

Sincerely,
